Your experience

All Ages

Iris photography is perfect for everyone — from kids to adults — making it a fun family experience.

Fast & Easy

No preparation needed! The photo takes less than a minute — simply look into the lens and it's done.

Instant Prints

Your iris photo is ready within moments and can be printed right away for your guests to take home, or collected at the end of the wedding party.

More Options

We also offer unique keepsakes such as necklaces, keychains, and bundle packs, available for preorder.
